Social Events

THURSDAY 8 – APERITIF

Anyone who'd like to is welcome to join us for an aperitif at the Caffetteria dell'Oblate, a modern library housed in a former 13th-century convent that offers a beautiful view of the back of the Duomo's dome

Participation is optional and at one's own expense
Meet at the Caffetteria at 18:30

THURSDAY 8 – SOCIAL DINNER

Social dinner at "Ristorante Cafaggi", ristorantecafaggi.com

Free for speakers
Meet at the restaurant at 20:00
For those attending the aperitif, it's about a 10-minute walk

FRIDAY 9 – A WALK IN FLORENCE

At the end of the workshop, we've organized a short walk that starts at the Ponte Vecchio and takes us through some fascinating spots all the way to Piazzale Michelangelo.

The walk is suitable for everyone, but it includes some uphill and downhill sections (so be sure to wear comfortable sneakers).
It's about 6 km long.

The event is subject to weather conditions.
